## Care Sheet

Confederate Jasmine - Trachelospermum jasminoides

Star Jasmine - Jasminum nitidum

Downy Jasmine - Jasminum multiflorum

Origin: Asia

### General info

Half-hardy woody evergreen vine that flowers in spring with chance rebloom from new growth

### Over Wintering

Bring into house before first frost and place in half day or better sun can supplement with artificial light if needed. Cool window sill is best.

### Lighting

Outdoor partial to full day sun, indoor half day or more sun.

### Watering

Water when soil is dry on top. When you water make sure you completely wet all the soil in the pot every time you water. Don't pour in a little water every day.

### Feeding

Spring thru fall. You can use house plant or nursery fertilizers. Follow the label for rates and application times.

### Training

Vines need to be allowed to grow in spring and flower. After flowering cut back hard to a desired shape and regrow to possible flower again

### Repotting

In spring before growth starts, remove 20% of roots
