Care Sheet Ming Aralia - Polyscias fruticosa

Origin: Polynesia

General info

Tropical evergreen 3'tall Keep indoor year round Keep above 60F

Over Wintering

Indoor 60 F or above

Lighting

Low light to full sun, best bright light

Watering

Let top of soil dry before watering. Over watering is a sure way to kill. When you water make sure you completely wet all the soil in the pot every time you water. Don't pour in a little water every day.

Feeding

Spring thru early fall. You can use house plant or nursery fertilizers. Follow the label for rates and application times.

Training

Keep pruning the tip to force lower growth, leaf drop is not unusual will come back unless overwatered

Repotting

Every spring 20% root removal
